## Last Supper Inspired Activities

At the Last Supper, Jesus told his friends to serve each other, that means to do kind, helpful things for each other. Here are some activities you can try at home to explore this idea.

Write and send an email to a friend or relative.

Decide to give away kind words and compliments. Saying things like, “I like your jumper,” or, “This dinner is delicious, thank you,” can make people feel happy, loved and appreciated.

Make and write a card or letter and send it to someone.

Say thank you whenever someone does something for you.

Record a song and send it to a person you love and appreciate, or phone them and sing it to them over the phone.

Be a housework detective and find something you can tidy up or offer to help your grown ups with.
