

## The 2009 Diocesan Directory & Handbook

The Guildford Diocesan Directory & Handbook is now established as a one-stop source book of essential information covering most aspects of Church of England life in the diocese.

In the 2009 edition you will find:

- *details of parishes*
- *information and membership listings of the various committees*
- *notes about, and contacts for, various groups operating within the diocese*
- *listings of all clergy and readers (licensed or with permission to officiate) and other workers*
- *sections on deaneries, parishes, church schools and chaplaincies*
- *a 'Regulations' section advising, for example, about clergy vacancies or faculty applications*
- *details of the diocesan scheme for inspecting churches*
- *Bishop's papers on a number of topics, including the 2008 Marriage Measure.*

This book is a quarry of practical information and is therefore a tool for all in positions of responsibility within a parish or the wider diocese.

**Please note that the 2009 Directory may be the last annual publication.** This edition will be valid for two years, but purchasers will find within it a login to enable them to enter a dedicated section of the Guildford Diocese secure website to print updates of the parish and clergy sections at regular intervals after August 2009 to ensure that the information available is up to date until the next edition. Additional updates of other important information will be notified by the monthly electronic diocesan mailing and also posted in the same discrete section of the website.

The cost of the 2009 Directory & Handbook remains at £9.50 and p&p can remain as previously, at £1.50 for each copy. Once again, a quirk of the postal charges system means that it's still currently significantly cheaper to mail copies singly—so however many you order they will come separately packed! Of course p&p charges can be avoided if copies are picked up from Diocesan House.

You may like to consider providing all key people in your parish—readers, wardens, PCC secretary, treasurer and parish administrator—with this valuable day-to-day reference tool.

To reserve your copy(ies) please print off, complete, and return the form below to Dept GDD, Diocesan House, Quarry Street, Guildford GU1 3XG. You may wish to complete the form on the web, in which case visit [www.cofeguildford.org](http://www.cofeguildford.org) and look under 'Latest Updates'.
