

Diocese of Guildford Church Growth Conference 2025

Wed 10 September 10am-3.30pm
Welcome Church, Woking

'God is doing something new in the UK' writes Pete Greig, and every day brings more evidence that the 'Quiet Revival' is getting louder. People outside the church, especially young adults, are seeking faith, asking for Bibles and walking into churches wanting to know about Jesus.

This inspirational day for clergy, leadership teams and congregations will help us to explore and respond to this moment of opportunity, lead our churches deeper in faith and reach out to those of all ages now open to exploring Christianity, helping to draw them into faith in Jesus and the life of His church. Do join us.

Keynote speakers:

Pete Greig

International speaker
and author

Rachel Jordan-Wolf

Chief Executive,
Hope Together

All welcome. Attendance fee:
