

Parish Share evaluation morning, 12 March 2016

Questions for focus groups

1. List the parishes represented in your group:

Try to focus on overall shared diocesan goal, rather than individual parish viewpoints. Spend around five minutes on each question.

2. What do you see as the most important objective for “Parish Share” at an overview level?

3. What are the important ‘success criteria’ for you in an approach to Parish Share?

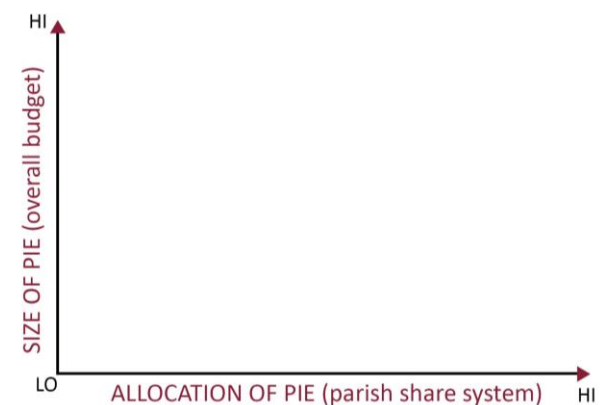

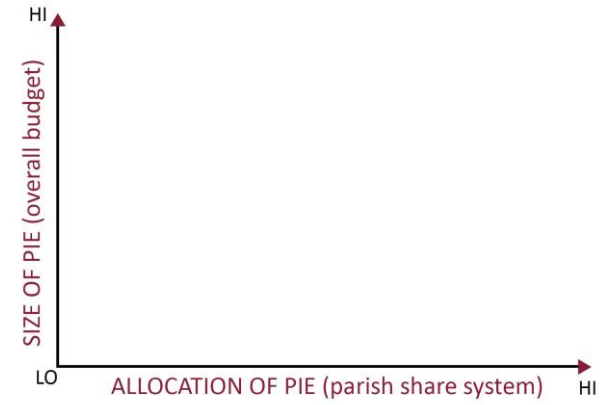

4. What strikes you afresh this morning about the issue?

Practical feedback

5. Does the majority of your group feel the present system needs to change? *(Please circle)*

Yes, complete overhaul	Yes, tune-up of present	No, keep it as is
------------------------	-------------------------	-------------------

6. In your group, discuss issues with the present parish share system, and suggest three main issues that you have identified

Issue with the present parish share system <i>EG: 'it is difficult to understand'</i>	Mark an 'x' on the chart showing where the issue sits in terms of the axis. Mark a 'c' if it is an issue which could be improved by better communication
